

DIRECTIONS TO WEB EQUIP LTD

SCEDU, 53 MOWBRAY STREET, SHEFFIELD, S2 8EN
TEL: 0114 221 3804

FROM THE M1 SOUTHBOUND

Exit at junction 36 (Tankersley) and follow the signs for Sheffield Centre (effectively turning right off the motorway). This will take you through Grenoside and past the Sheffield Wednesday ground and onto the map at **point B**.

You will pass Owlerton Stadium on your left and about a mile later you need to turn left onto Rutland Road, go past Wickes on your right, and turn right at the traffic lights onto the one-way Burton Street. Go down there until it starts turning back into a two-way and immediately turn right double-backing on yourself, you're now on Mowbray Street and we're about 20 yards down on the left hand side, a white building with black iron gates.

FROM THE M1 NORTHBOUND

Exit at Junction 34 (Meadowhall) and follow signs for Sheffield centre. You will pass the Arena and Don Valley Stadium on your left, keep going straight on that road (you can easily find yourself in the wrong lane, keep an eye on the arrows on the road and keep going straight ahead). You'll come to some traffic lights at a railway bridge, go straight on and start following signs to Barnsley(North) A61. After 1.5 miles you should enter the map at **point A** – keep following the Barnsley A61 North signs and you'll end up on Mowbray Street.

We're about 100 yards down from the Riverside Pub, on the same side
